What is World Changers?

World Changers is a hands-on mission experience, engaging students in meeting the needs of people in communities across North America. Students are able to put their faith into action by serving others and sharing the gospel.

OUR MISSION: SERVING OTHERS AND SHARING THE GOSPEL

World Changers construction projects are mission trips designed specifically for student ministries eager to serve in the capacity of construction missions. World Changers partners with local city agencies and churches to mobilize volunteers needed to help them serve local residents. Participants spend a week serving on crews with students and adults from other churches—completing assignments ranging from painting and roofing to building handicap ramps—all to improve the quality of life for local residents. (Church groups can serve together on a crew if requested in advance.) The goal of serving extends far beyond meeting physical needs. Students are trained through both the Pre-Project Study and Gospel Engagement on how to share the gospel. The nightly gathering is a time set aside for worship and teaching from World Changers staff.

THE HISTORY OF WORLD CHANGERS

World Changers started in 1990 in Briceville, TN with 137 students and adults. It was one of the first organizations to meet a need within the church for hands-on missions opportunities for students. World Changers continues to meet that need through construction and community mission experiences.

For over 25 years of ministry, World Changers has mobilized almost 400,000 participants, served more than 13 million volunteer hours, saved North American cities over \$280 million in labor costs, and ministered to over 27,000 homeowners.

We want to provide more than just a weeklong mission trip; we want to provide the tools and training that equip your students for a lifetime of missional living. No matter what kind of college major, career, or volunteering opportunities are in their future, your students will leave a week of World Changers knowing how to share the story of Jesus with others. We are excited each summer to see how the Lord calls students to fulfill the Great Commission in unique and creative ways.

Where we will be serving: DeLand, FL.

Where we will be staying: Stetson Baptist Church, 1025 W Minnesota Ave, DeLand, FL 32720

Final Cost: \$150.00

Medical Care at the Project

At a project, World Changers enlists one or more adults who are trained in basic first-aid to serve as first-aid coordinators (FAC). Their training is certified by a recognized organization, like the American Red Cross or the American Heart Association. Here is helpful information regarding medical care at the project:

- First-aid coordinators will NOT administer over the counter medications. Any prescribed medication brought to a project must be accompanied by a valid medical doctor's order or covered in appropriate protocols. The group leader is responsible for purchasing and/or dispensing any medicine to students.
- Participants should inform the first-aid coordinator of any prescription medications they are taking immediately upon arrival at the project. In most cases, the first-aid coordinator will be present during Check-In.
- Whenever a participant goes to the hospital during a project, an adult must accompany the participant, and the Project Coordinator and group leader must immediately be informed. In most cases, the group leader is taken to the hospital as soon as possible. The group leader is responsible for contacting parents/guardians immediately whenever a participant has any medical care provided or considered by FAC or hospital.
- The first-aid coordinator must complete an Accident Report Form whenever first-aid is administered. Necessary first-aid is rendered at the job site and at the lodging facility.
- Emergency personnel are called whenever necessary. A local doctor has been enlisted to advise and render care when necessary.
- A participant form is provided for every participant. Before leaving home for the project, a form must be completed and signed by each participant (student and adult). Participants under age 18 must have a parent's signature and have their participant form notarized by a notary public. The form gives important medical information and authorization for emergency medical treatment. Group leaders are responsible for bringing the participant forms to the project and presenting them to the staff at check-in.
- Participants (student and adult) will not be allowed to serve without a completed Participant Form.
- Participants are responsible for having primary medical insurance coverage. World Changers is not financially responsible for the medical care of participants who are injured or become ill at a project.
- The group leader has primary responsibility for the medical care of group members and it is recommended they attach a copy of each participant's insurance coverage (insurance card) to the first-aid coordinator's copy of the Participant Form.
- If an adult member of your group is a licensed nurse or trained in basic first-aid, please tell your Project Coordinator. It is helpful to know the names of all medical professionals present at the lodging facility. Any person enlisted by the Project Coordinator to serve as first-aid coordinator pays a reduced registration fee.
- Participants (student and adult) should inform the Project Coordinator immediately if they are too sick to accompany their crew to a site. Adults may be asked to stay at the lodging facility with students from their group who are too sick to go to the work site.

Participant Commitment

The purpose of this commitment is to create clear expectations for all World Changers participants attending a project. You should read over the responsibilities expected of every World Changers participant.

While participating in the project I will seek to demonstrate my love for Christ and for others by agreeing to...

- **Commit to sharing the gospel.** Through preparation of the Pre-Project Study, I will avail myself to learning how to share the Gospel and take advantage of the opportunities presented to me to share the Gospel.
- **Seek to grow in my personal and corporate prayer life.** I will seek the Lord daily through prayer and Bible study. I will purpose in my heart to leave more spiritually mature than when I arrived.
- **Keep myself healthy.** I agree to not use tobacco products, alcoholic beverages, or illegal drugs. I will notify the project staff of any prescription drugs I will be using during the week.
- **Maintain a safe working environment for myself and my crew members.** I agree not to have possession of or use any fireworks, firearms, pocket knives, or weapons of any other kind.
- **Work to the best of my ability.** I am excited about demonstrating my love for Christ by working on a home for a resident; participating in a ministry project, or whatever the project requires of me. To the best of my ability I pledge to work in a manner that would be pleasing to Christ.
- **Follow the dress code.** I agree to bring clothes that comply with the dress code, and not to bring clothes that do not comply with the code. I will dress, at all times, in a manner worthy of an ambassador of Christ.
- **Stay in designated areas.** I agree to stay with the group at all times. I understand that I cannot leave the work site or lodging location without the permission of my ministry team leader, crew chief, group leader, or Project Coordinator. Note: Girls will not be in boys' rooms, and boys will not be in girls' rooms.
- **Respect the privacy of others.** I will not tamper with or take others' possessions.
- **Maintain a clean environment.** I will do my best to keep all areas of the lodging facility clean and free from litter. I will respect the property and grounds serving as "home" for all participants for the week. I understand that any property I damage will be my personal responsibility.
- **Demonstrate a Christ-like spirit. My attitude will be like that of Jesus (Philippians 2:5). I will love those with whom I work and those around me throughout the week.** I will not allow another's property or person to be abused.

I have read the responsibilities listed above and the dress code and agree to follow them during the week I am participating in the project. I understand that failure to do so could result in disciplinary action.

YOUR REGISTRATION TO ATTEND A WORLD CHANGERS PROJECT IS YOUR COMMITMENT TO ACCEPT AND ABIDE BY THE GUIDELINES AND RESPONSIBILITIES OUTLINED HEREIN.

Dress Code

Please remember that this is a mission experience. Participants are on mission at all times, at the ministry site and at the lodging facility. Participants should make a special effort to wear clothes that are modest and appropriate for the work to which we have been called.

- Sleeved shirts are to be worn by all participants at all times (no tank tops, spaghetti straps or midriffs, this includes dresses). At the worksite, at the lodging facility, on the way to and from the showers. If the sleeves are torn off the shirt, it no longer meets the dress code.
- Long pants must be worn at the construction work sites. Pants made of heavy cloth, like denim, are preferred. Pants at the worksite should not have any rips or distressing. Pajama pants and tights are not allowed at the worksite.
- Yoga pants and leggings are allowed, however, they should be paired with a long t-shirt, dress, or skirt. Tights can not be worn as pants, they need to be layered underneath, shorts, dresses, or skirts.
- Shorts are acceptable at the lodging facility. Shorts should be at least fingertip length. No short shorts. Any skirts or dresses should also be at least fingertip length.
- Participants are to be fully dressed in accordance with this dress code any time they are outside their assigned room at the lodging facility. Shorts or long pants and a sleeved shirt is required in hallways, in worship, and on the way to showers and restrooms.
- Durable shoes with closed toes must be worn at all work sites. Sandals are not acceptable. Shoes or boots with heavy soles are recommended for construction projects.
- Always wear shoes outside of rooms.
- If you are participating in a project that involves your group attending local churches on Sunday morning (6 & 7 day projects), please be sure to bring long pants (nice jeans are fine), or even appropriate skirts or dresses to wear. We will provide a t-shirt for everyone, but no shorts need to be worn to church on Sunday.

Enforcement of the Dress Code

- Group leaders are asked to review the dress code with participants before leaving for the project. A pre-trip meeting is an excellent time to review the code. Please be certain everyone in your group, including student and adult participants, understand what is required and what is prohibited.
- Group leaders will be asked to enforce the dress code among participants in their church group during the project.
- If necessary, the staff will take appropriate action with the individual's group leader to ensure all students follow the dress code.
- Violation of the dress code at ministry sites may result in participants being transported back to the lodging facility. Participants will not be allowed to work if not dressed according to the dress code.
- Any dress code disputes, not covered specifically in the dress code, fall to the discretion of the Project Coordinator.
