The history of WORLD CHANGERS?

World Changers started in 1990 in Briceville, TN with 137 students and adults. It was one of the first organizations to meet a need within the church for hands on missions opportunities for students. World Changers continues to meet that need through construction and community mission experiences.

For over 25 years of ministry, World Changers has mobilized almost 400,000 participants, served more than 13 million volunteer hours, saved North American cities over \$280 million in labor costs, and ministered to over 27,000 homeowners.

We want to provide more than just a weeklong mission trip; we want to provide the tools and training that equip your students for a lifetime of missional living. No matter what kind of college major, career, or volunteering opportunities are in their future, your students will leave a week of World Changers knowing how to share the story of Jesus with others. We are excited each summer to see how the Lord calls students to fulfill the Great Commission in unique and creative ways.

WorldChangers Theme

Never Stop

But you will receive power when the Holy Spirit comes upon you. And you will be my witnesses, telling people about me everywhere—in Jerusalem, throughout Judea, in Samaria, and to the ends of the earth.”

Acts 1:8

Before Jesus ascended back to heaven, He gave His disciples an instruction. He said to keep going. Don't quit. Never stop. Never stop loving. Never stop serving. Never stop sharing. Never stop trusting Him. Never stop going and telling others about who He is.

What Not To Bring

- Clothes that don't meet dress code
- Expensive electronics/Clothing/Jewelry
- Tobacco products, alcohol, or illegal drugs
- Weapons of any kind
- Fireworks

Dress Code

Please remember that this is a mission experience. Participants are on mission at all times: at ministry site and at lodging facility. Participants should make a special effort to wear clothes that are modest and appropriate for the work to which we have been called. How we dress is an important part of our witness.

- Sleeved shirts are to be worn by all participants at all times (no spaghetti straps or midriffs- this includes dresses) at work sites, the lodging facility, and on the way to and from the showers. If the sleeves are torn off the shirt, it no longer meets the dress code.
- Long pants must be worn at the construction work sites. Pants made of heavy cloth, like denim, is preferred.
- Shorts are acceptable at the lodging facility. Shorts should be fingertip length. No short shorts.
- Participants are to be fully dressed in accordance with this dress code any time they are outside their assigned room at the lodging facility. Shorts or long pants and a sleeved shirt is required in hallways, in worship, and en route to showers and restrooms.
- Yoga pants, tights, and leggings are not pants. These may not be worn outside your assigned sleeping room unless layered underneath a modest length dress or skirt.
- Durable shoes with closed toes must be worn at all work sites. Sandals are not acceptable. Shoes or boots with heavy soles are recommended for construction projects.
- Always wear shoes outside of rooms.

Enforcement of The Dress Code

- Group leaders are asked to review the dress code with participants before leaving for the project. A pre-trip meeting is an excellent time to review the code. Please be certain everyone in your group, including student and adult participants, understand what is required and what is prohibited.
- Group leaders will be asked to enforce the dress code among participants in their church group during the project.
- If necessary, the staff will take appropriate action with the individual group leader to ensure that all participants follow the dress code.
- Violation of the dress code at ministry sites may result in participants being transported back to the lodging facility. Participants will not be allowed to work if not dressed according to the dress code.

Participants will be required to wear long pants while working at ministry sites.

MEDICAL CARE AT THE PROJECT

- At a project, World Changers enlists one or more adults who are trained in basic first-aid to serve as first-aid coordinators (FAC). Their training is certified by a recognized organization, like the American Red Cross or the American Heart Association. Here is helpful information regarding medical care at the project.
- First-aid coordinators will NOT administer over the counter medications. Any prescribed medication brought to a project must be accompanied by a valid medical doctor's order or covered in appropriate protocols. The group leader is responsible for purchasing and/or dispensing any medicine to students.
- Participants should inform the first-aid coordinator of any prescription medications they are taking immediately upon arrival at the project. In most cases, the first-aid coordinator will be present during Check-In.
- Whenever a participant goes to the hospital during a project, an adult must accompany the participant, and the Project Coordinator and group leader must immediately be informed. In most cases, the group leader is taken to the hospital as soon as possible. The group leader is responsible for contacting parents/guardians immediately whenever a participant has any medical care provided or considered by FAC or hospital.
- The first-aid coordinator must complete an Accident Report Form whenever first-aid is administered. Necessary first-aid is rendered at the job site and at the lodging facility.
- Emergency personnel are called whenever necessary. A local doctor has been enlisted to advise and render care when necessary.
- A participant form is provided for every participant. Before leaving home for the project, a form must be completed and signed by each participant (student and adult). Participants under age 18 must have a parent's signature and have their participant form notarized by a notary public. The form gives important medical information and authorization for emergency medical treatment. Group leaders are responsible for bringing the participant forms to the project and participants (student and adult) will not be allowed to serve without a completed Participant Form.
- Participants are responsible for having primary medical insurance coverage. World Changers is not financially responsible for the medical care of participants who are injured or become ill at a project.
- The group leader has primary responsibility for the medical care of group members and it is recommended they attach a copy of each participant's insurance coverage (insurance card) to the first-aid coordinator's copy of the Participant Form.
- If an adult member of your group is a licensed nurse or trained in basic first-aid, please tell your Project Coordinator. It is helpful to know the names of all medical professionals present at the lodging facility. Any person enlisted by the Project Coordinator to serve as first-aid coordinator pays a reduced registration fee.
- Participants (student and adult) should inform the Project Coordinator immediately if they are too sick to accompany their crew to a site. Adults may be asked to stay at the lodging facility with students from their group who are too sick to go to the work site.

COVID-19 Guidelines

We have received questions from Student Ministers and parents about if and how COVID-19 will affect World Changers. We know this pandemic has been stressful to many and recognize that socializing and interacting with peers can be a healthy way for students to cope with stress and connect with others, particularly after spending quite a bit of time at home. After careful thought and planning, we are excited to let you know that we plan to resume projects while following CDC considerations to protect students, adults and our communities.

The health and safety of our participants and staff remain our highest priority. Below, you will find a summary of actions we will take, if the virus is still prevalent, to help ensure we are lowering COVID-19 risk as much as possible.

Intensifying cleaning and disinfection practices within our facilities and premises by: all facilities will be cleaned and disinfected before the groups arrive and each day while the groups are out of the facility. Bathrooms will be cleaned every day. Meals will be prepared in take away containers, if requested.

During meals and worship, church groups can be seated with their home church if they desire.

During the day, participants will be outside and in the same small group every day. Churches can request to be kept together instead of being integrated with other churches.

We will stage hand sanitizer at every location where students will congregate. Each participant will be given a face covering (bandana). Students will sleep 6 feet apart and in a head to toe arrangement where possible.

We will provide an isolation area if staff or participants present Covid symptoms. Parents will be notified immediately and can make arrangements to pick up their child.

We ask that you help us protect the health of students this summer. Anyone who is sick or was sick with COVID-19 or recently in contact with someone with COVID-19 in the last 14 days—should not come to the project. Be on the lookout for symptoms of COVID-19, which include fever, cough, shortness of breath, chills, muscle pain, sore throat, and loss of taste or smell. Call your doctor if you think you or a family member is sick.
